However, at the time of attending pre-appointment formalities certain grave irregularities came to light. As irregularities noticed were of serious nature, a stay on all further activities was imposed vide this office Memo no. Rectt/2-DR/Allot.Corr/2016 (Part-I) dtd 10.06.2016.

Since the irregularities noticed had wide ramifications, it was decided to get the investigation done with the help of state police authority. Department of Posts is closely associating with the police authority to conclude the inquiry at the earliest.
